## THE WOW SOCCERBALL

Boys and girls of all ages will love our signature soccer balls, made from **durable PU material** and available in both **Official Size 5** and our **new Official Size 3** for younger children. These balls are built to last, especially in places where many children may only ever receive one soccer ball. The ball displays "Jesus Loves You" in 7 languages: English, Spanish, French, German, Swahili, Moore, and Ukrainian.

## — WHY CHOOSE WOW SUPPLIES —

### A Note from Our CEO...

For over 25 years, I've had the joy of packing shoeboxes and serving alongside faithful volunteers to bless thousands of children through Operation Christmas Child and other outreach ministries. I share your passion to take the Gospel to the ends of the earth, and I understand both the joy and the challenges that come with preparing meaningful shoebox gifts.

A few years ago, I was reminded of the urgency of this mission, that the opportunity to reach children with the Gospel will not last forever. That truth stirred my heart deeply and strengthened my desire to help more people pack more shoeboxes while we can.

*WOW Supplies was born out of that calling.*

My heart's desire has always been simple: to make it easier and more affordable for you to pack high-quality, meaningful gifts in Jesus' name. Every item you see here has been created carefully, and prayerfully, not just to fill a box, but to bless a child. We focus on durability, usefulness, and joy so each gift communicates love, dignity, and value to the child receiving it.

I am not just a supplier of quality items for ministries; I am packing shoeboxes right alongside you. Because of that, we strive to serve you with excellent customer service and personal support. I am always happy to help you think through ideas, quantities, packing parties, and planning so your ministry can succeed. We are partners in this mission together, working toward the same eternal purpose: reaching children with the Gospel. So, if you ever have questions or need help planning, please feel free to call or text me (540-926-5602). I would truly love to support you and help your ministry grow.

Through your purchases, you are also helping extend that love even farther. A few years ago, God opened up an avenue to help vulnerable children and families in Burkina Faso, West Africa. Together, we have been supporting children and families there by building wells that provide life-saving clean water, reminding communities that God has not forgotten them. And we are also building a Christian school to help many children learn about the love of Jesus. Feel free to visit [BCNAF.org](http://BCNAF.org) to find out more.

Please consider sharing our website and mission with your teams, churches, and ministries. Spreading the word through Facebook, Instagram, or any platform available to you helps more people pack shoeboxes and reach more children with the Gospel.

Thank you from the bottom of my heart for your partnership, encouragement, and faithfulness in this mission. May God enlarge your boundaries and bless your ministries as we serve together and watch Him change lives for eternity.

To God be ALL the glory,

*Betsy Stout*

## MORE ABOUT WOW SUPPLIES

### Together We Make an Eternal Impact

WOW Supplies is a Christian-owned company created by a long-time Operation Christmas Child shoebox packer with a simple purpose: to equip churches, families, and outreach teams with high-quality, affordable items that help share the love of Jesus with children around the world.

But our mission does not stop at the shoebox.

We are honored to partner with Building Communities Near and Far (BCNAF), a nonprofit 501(c)(3) committed to meeting both spiritual and physical needs of vulnerable children and families. Through this partnership, WOW Supplies helps support ministries in Burkina Faso, West Africa — including life-saving clean water wells and a Christian school where children can learn, grow, and hear the Gospel. These projects bring dignity, stability, and hope while reminding communities that God has not forgotten them.

BCNAF also serves locally by packing shoebox gifts, supporting community food pantries, and caring for vulnerable children and families in need. Through outreach events and service opportunities, we are building communities — places where friendships are formed and people encourage one another with the love of Christ.

Every order becomes part of something bigger. Together we are sharing the Gospel, meeting practical needs, and bringing people together both near and far.

Join us in this mission by visiting [BCNAF.org](http://BCNAF.org) to learn how you can pray, give, or serve. We would be honored to partner with you!
